etc sanctioned in respect of the Ration Centres in Batticaloa City proper. The only difference appears to be in regard to the ~~Expenditure~~ provision of Rs 1250/- asked for, for ~~new~~ painting Door Nos in the belt area. No expenditure specifically for this purpose was sanctioned for the City area. But, however, this expenditure is probably a very necessary one as houses in villages seldom have door nos. exam.

8) Three posts for the Special Sheriff seem too many. Two would have been enough. But as they have been engaged, it may be sanctioned with the observation that prior sanction should have been obtained.

9) There may be some savings in the lump sum provisions. The sum of Rs 1250/- for painting door numbers may be sanctioned also.

Memo No.E1.C.6118/45-6. Bangalore, Dated, the 20th Nov..1946.

Returned with compliments.

The Census work is an additional duty devolving on the Sub Division Officer who has been appointed as ex-officio Chief Ration Census Officer for the Bangalore City Belt

Area as per Government Notification No.SD.1788/P2/45-45-17 dated 15th August 1946. He has to attend in this connection to arduous duties involving increased work and responsibility. The allowance proposed to the Sub Division Officer is therefore very necessary till the Census work is completed. A similar allowance has been sanctioned to the Chief Ration Census Officer, Bangalore City.

15) Out of the lumpsum grant of Rs.1,250/-, Rs.500/- has been provided for the cost of materials required for house numbering and Rs.750/- for remuneration forstaff. There are 25,000 houses to be numbered in the Belt Area and this provision is quite necessary. It is stated by the Deputy Commissioner that some of the Jodi villages in the Belt Area, have not got even Khaneshumari numbers and in many of the villages the houses do not bear numbers. The co-operation of the village officers is therefore very necessary to get through this work. In some of the Jodi villages, there are no village officers and the services of the local men have to be utilised for the purpose. As an incentive to the village officers and private persons entrusted with this work an allowance of Rs.3/- for numbering each 100 houses, is proposed and this works up to Rs.750/-. In the circumstances sanction may be kindly accorded for incurring this expenditure of Rs.1,250/-.

16) Regarding Item No.3, only 3 peons at the rate of <u>one</u> for each of the Special Sheristedars for four months and 5 peons at the rate of <u>one</u> for each of the 5 Revenue Inspectors for two months, have been proposed and this number is the minimum necessary & it may be kindly sanctioned.

17) The services of 5 peons attached to the Revenue Inspectors have been dispensed with from 1-10-46, as the term of appointment of the Revenue Inspectors expired on that date as per G.O. No.SD.1847-50/A.82-46-2 dated 17th August 1946. The services of the three peons for the three Special Sheristedars sanctioned in the above Government Order will have to be continued till 1st December 1946.

18) In the circumstances, the proposal for incurring an addi-
